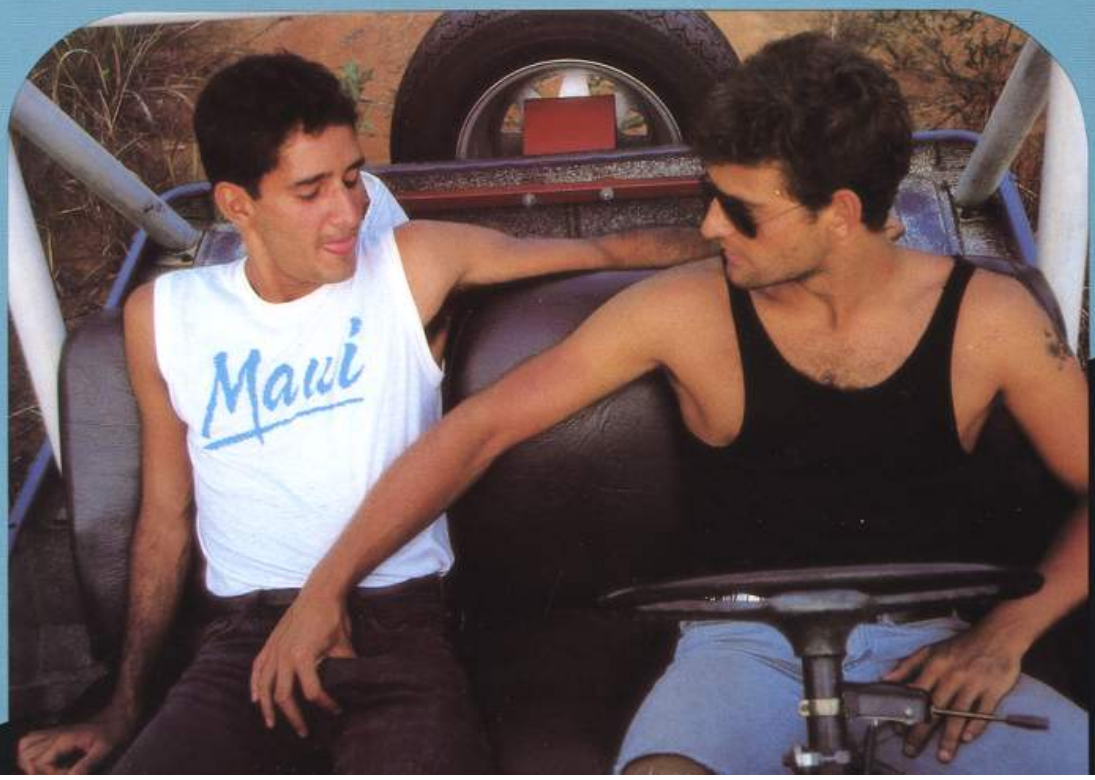
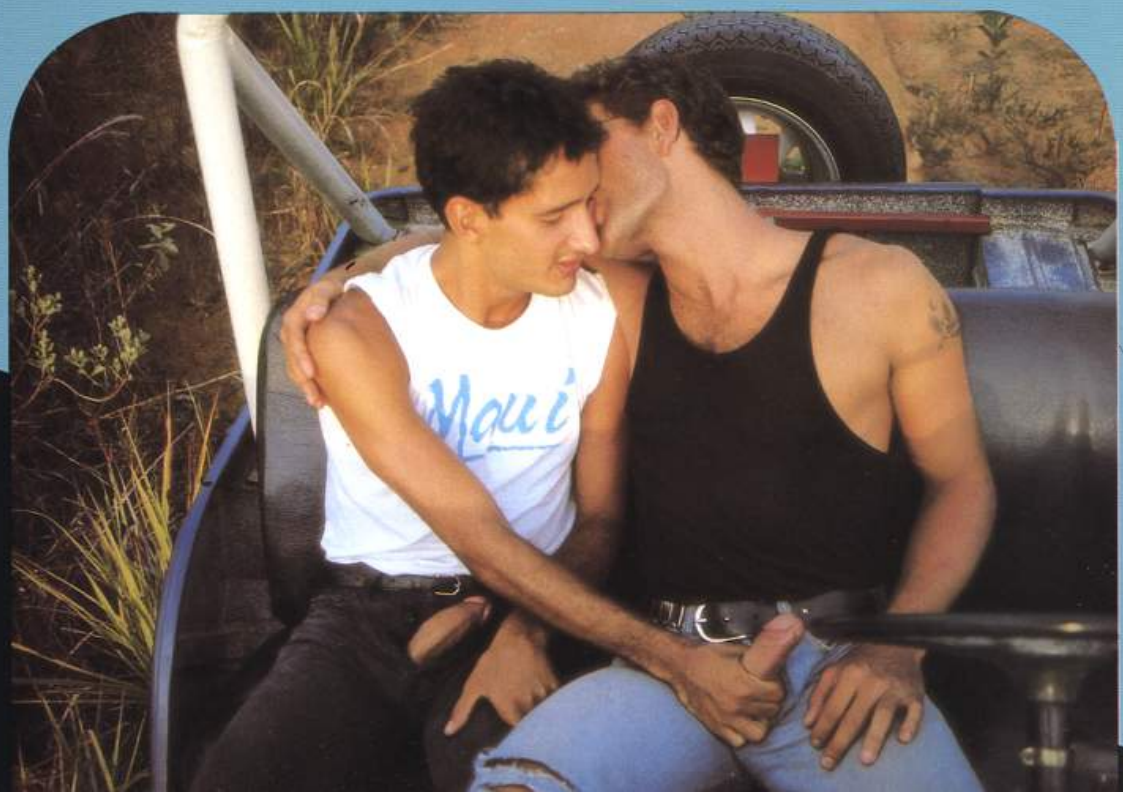
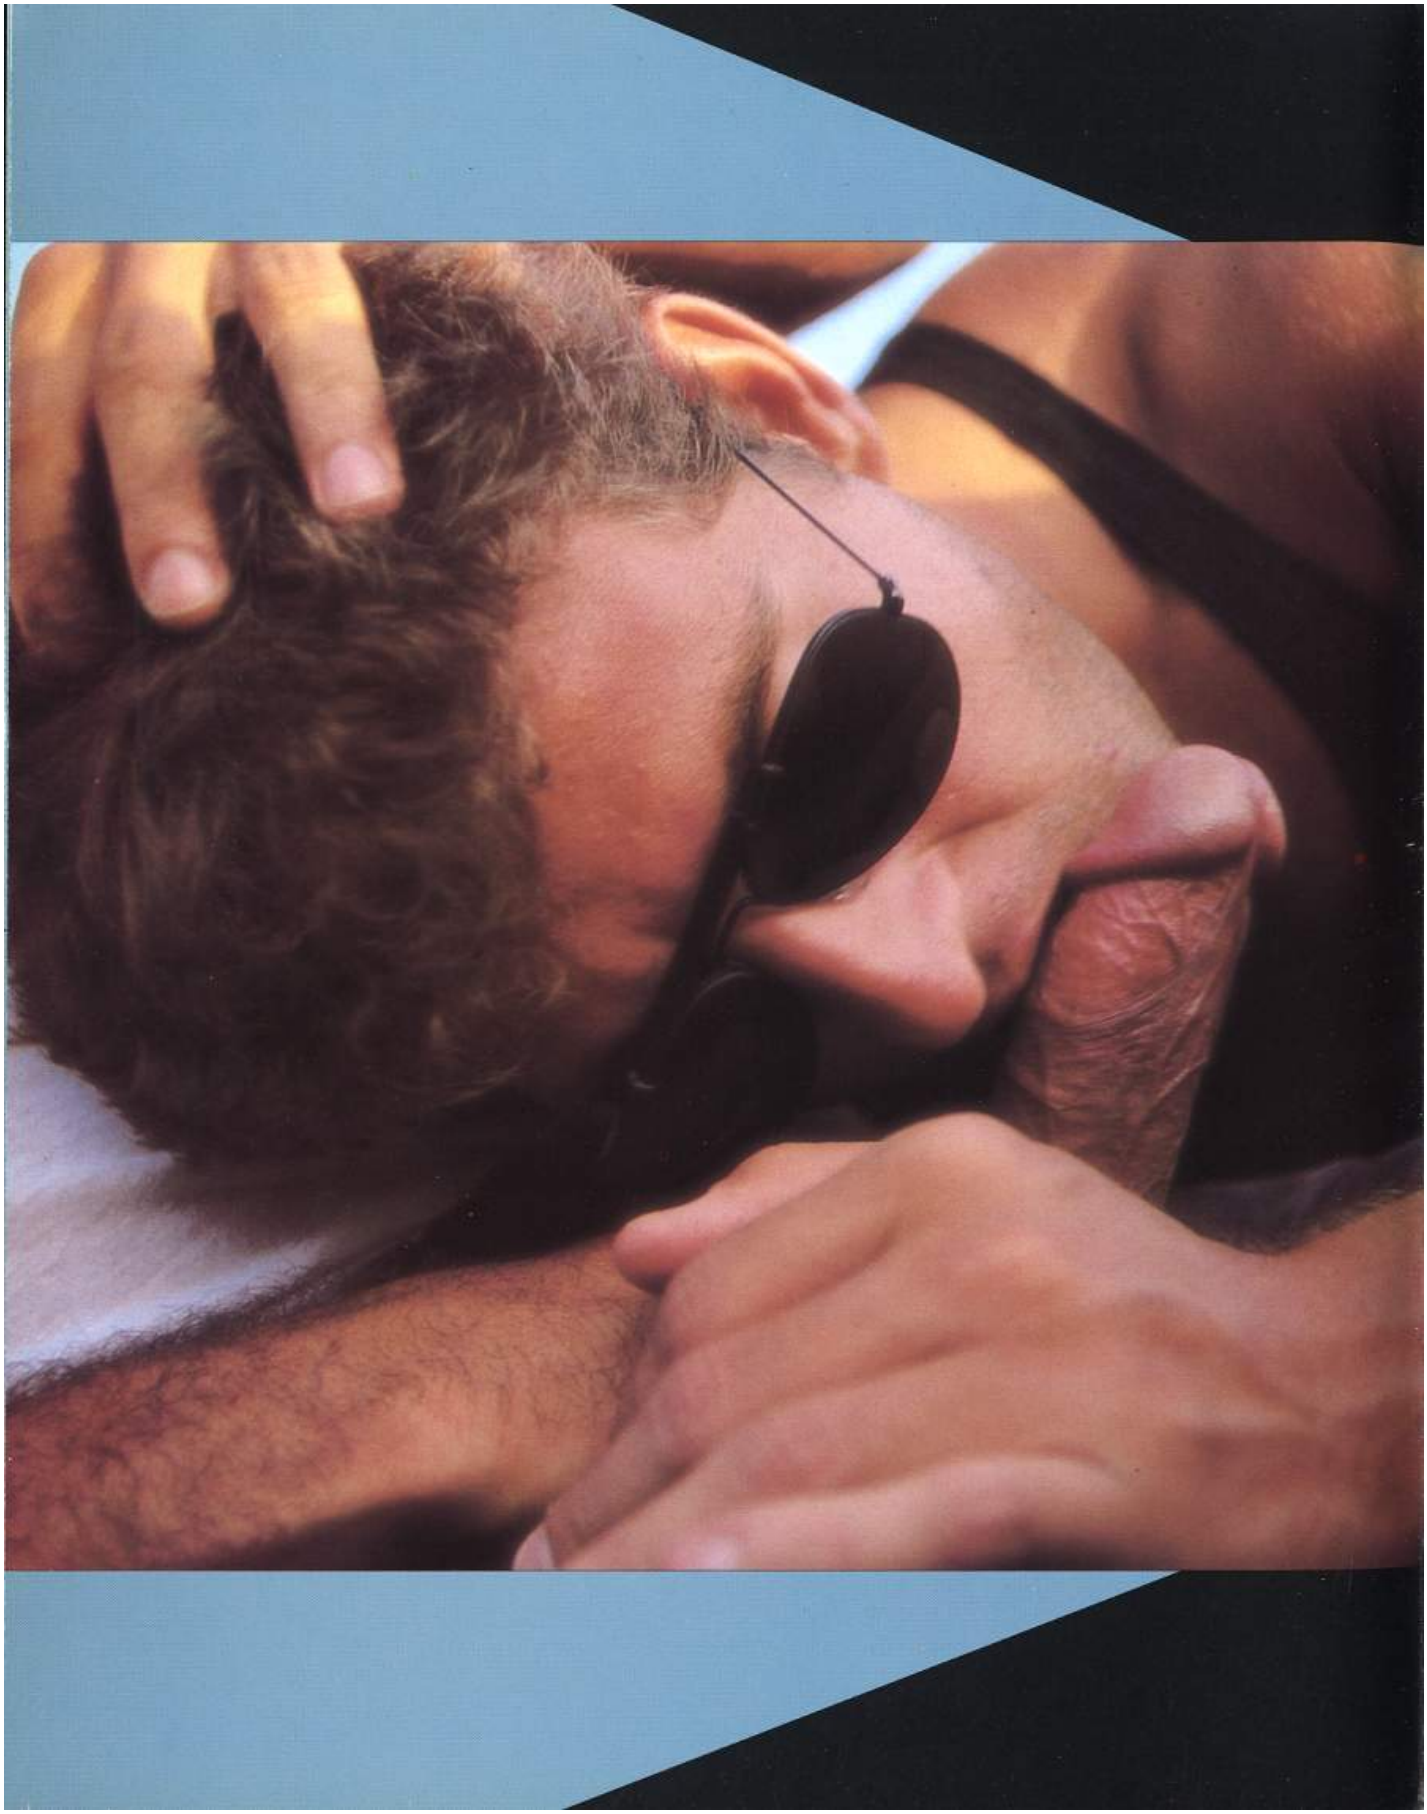
The Hawaiian sun was warm and sensuous as Jeff drove the vehicles into the lush tropical forest. Beside him, Kenny felt horny as shit!



When Jeff touched his crotch, Kenny took the hint. Within seconds he had a cock in each hand, pulling both to rock hardness!





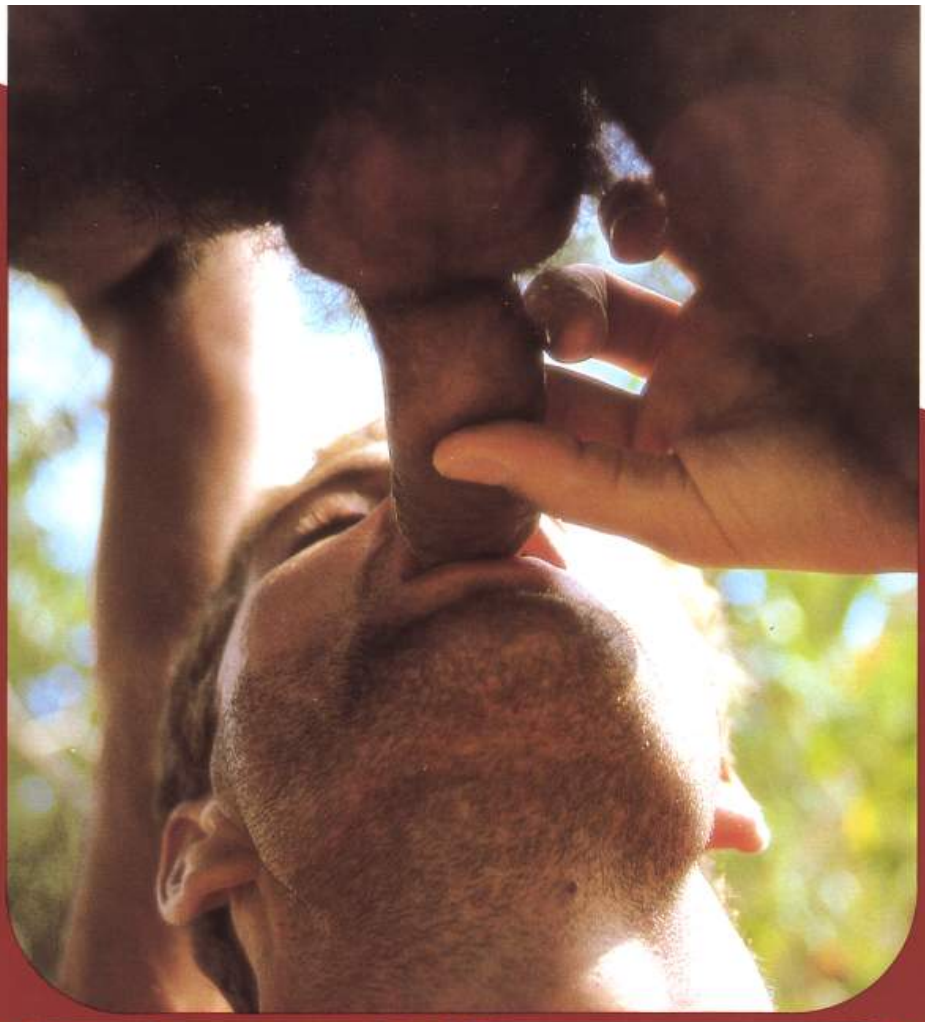
Quickly they stripped off their clothes, and then kissed in open-mouthed passion. Kenny

loved the feel of Jeff's tongue in his mouth but wanted something even better!

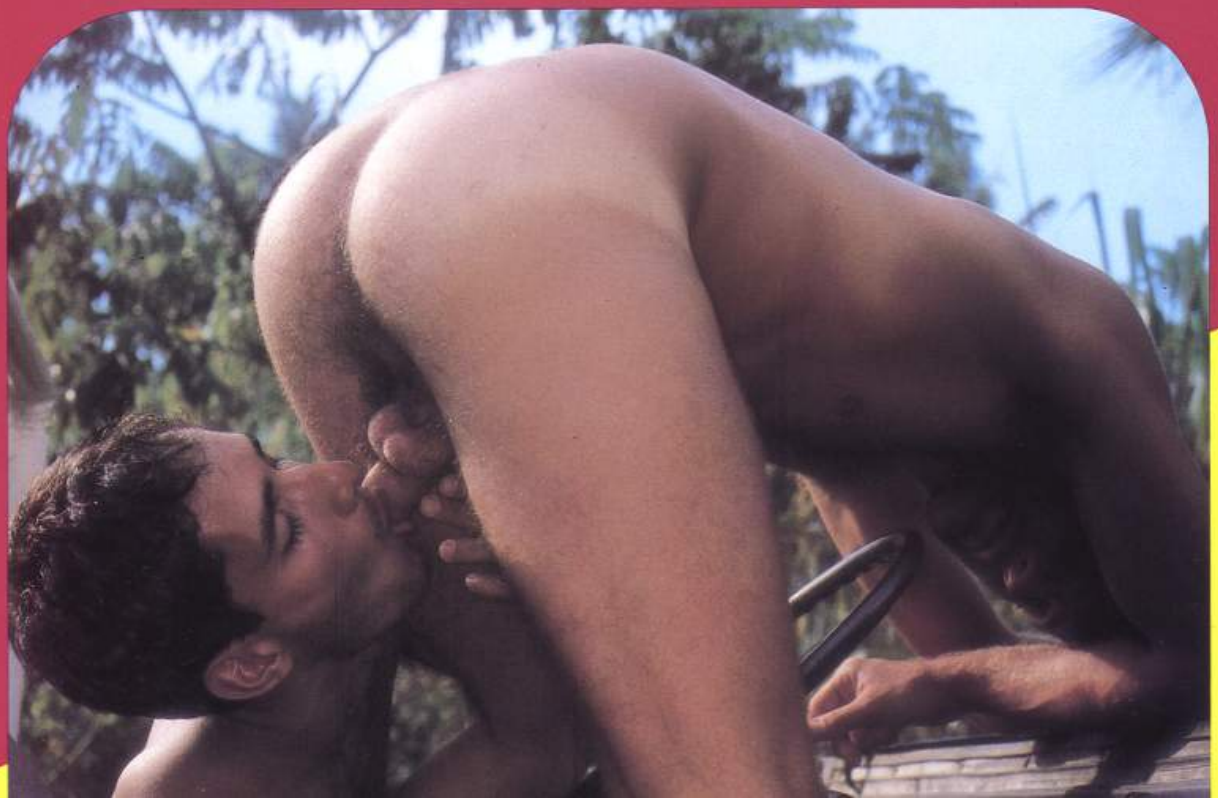
Kenny's open mouth closed lovingly on the rounded head of Jeff's dangling dick. He loved the tangy taste, the acrid odor!

Their mouths seemed made for each other's cock. One fit over the other in a most

delightful way, sucking, slurping, bringing pleasure to sucker and suckee!



From any angle the view was breathtaking. The lush Hawaiian scenery was a suitable backdrop for the lush genital panorama of boiling balls and ready-to-erupt prick!



"Mmmmmm, that feels good!" Kenny sighed as Jeff's tongue spit-lubed his asshole. He caught his

breath in anticipation, knowing what was going to happen next!

Jeff's eager cock surged up into Kenny's eager poopchute, probing the murky depths!
